A pretty work bag, which is really a set of six bags in one, is a dainty gift and a most useful one, as it holds tape, spools, scissors, thimble, and the various furnishings of the work basket in a compact space that makes it especially of value in travelling. The six little bass are made of ribbon, and are about four inches wide and five inches long when finished. Cover a piece of cardboard of hexagonal shape with silk of the same shade as the ribbon. The sides should each measure three inches. of covered cardboard, a bag on each side of it. Draw up each one with sille tape of the same shade as the bag. The little bags may be made of silk, if preferred, though, in that case, they will need to be lined. Contrasting colors for this are very effective.
